

Model P-10-2

Recycled Hexagon Picnic Table

Provide comfortable seating for six people in a friendly seating arrangement. This attractive hexagon picnic table is constructed of 10 one-piece molded shapes. This eliminates cumbersome assembly associated with other "stick-together" versions. Beveled edges on both the table top and seats are an added feature that sets this table a step above the rest. The all-plastic design and solid construction are made to withstand hard use and provide a durable table that will maintain its appearance year after year.
