

Step Through Picnic Table

These attractive, eco-friendly Recycled Plastic Step Through Picnic Tables provide plenty of leg room, convenient entry and easy exit. These tables are great for areas where step-over seating is just not ideal. The recycled plastic construction looks great and is very durable; no maintenance is necessary and it will never crack or peel. The tops and seats come factory assembled for easy field assembly. Simply bolt together with the hex head lag screws in the pre-drilled holes and job done!

Recycled Plastic Easy Access Picnic Table

This easy access picnic table is ideal for schools, senior centers, office complexes, and parks. The three one-piece molded design makes it easy for people of all shapes and sizes to step through and provides plenty of leg room. Constructed from 100% recycled plastic, this table is virtually maintenance free. Assembly is quick and easy. Simply place the molded frame on the table top, secure hex head lag screws into the pre-drilled holes, and you're done!
