Three Sided Kiosk Message Center

Park settings, schools, or city shopping centers will find this three sided kiosk to be a great outdoor option. Communication options are tripled with three enclosed centers facing different directions. Windows are made of a polycarbonate material that is scratch and break resistant. Recycled rubber tackboard lined doors last longer than cork and are weatherproof and washable. Commercial quality, eco-friendly, maintenance-free recycled plastic and stainless steel hardware adds strength and durability for many years of use.
