

## Smokers' Waste Control Receptacle

Smokers' Receptacle  
Color Options

bronze (HBZ) charcoal (HGR)

### Aladdin Smokers' Station™

Melt-proof steel construction and oxygen-restricting design provide superior fire safety protection. Durable, easy-to-maintain Hammertone powder-coated finishes prevent unsightly burn damage and provide maximum weather protection. Stainless steel EZ-latch system prevents costly, time-consuming task of realigning top to base during maintenance. Nylon feet prevent wear and damage to finish surface. Chain attached top deters pilferage. Easily bolted to pavement with optional anchor.

## Wall-Mounted Receptacle

Architecturally designed to enhance the look of any location. This modern sleek wall mounted cigarette receptacle will create a better first impression by keeping your premises clean of unsightly cigarette waste. Internal snuffer keeps outside appearance ash-free.

Metal Finish  
Color Options

black silver
