

Service Station Receptacles

A. The Maui Island Series is a full service convenience center solution ready for high volume use with its large capacity and easy maintenance. Provide convenient value added amenities right at the pump with windshield service center side pod caddy.

A. Maui Convenience Center
Model DC-75840599
(Accommodates a Variety of Roll Towel Dispensers—Dispenser Not Included)

B. Haven Windshield Washing Station
Model DC-75820599

B. The Haven series windshield washing stations feature a double sided waste container with a side pod service center. Haven 2 comes with two windshield washing pods and Haven 1 has a single pod. Side pods secure to waste receptacle with included hardware.

C. Integrate waste management and window washing with the Landmark Series® advertising trash can. Insert personal messages and advertising panels. Standard bolt-down base for stability. Sturdy construction 28"H liner included for indoor and covered outdoor use.

C. Landmark Series® Advertising Trash Can Model 9W02
(Shown with Model 9W04 Windshield Caddy)

D. Islander Series | Bermuda 1 Gas Station Receptacle
Model DC-755324

E. Islander Series | Bermuda 2 Gas Station Receptacle
Model DC-755424

D. The Bermuda 1 gas station receptacle features a towel dispenser and water bucket with squeegee. The lift-off lid for easy trash removal includes a patented Grab Bag™ system to secure the trash bag in place. Hexagonal lid opening measures 9-1/2".

E. The Bermuda 2 is an environmentally friendly dual purpose trash receptacle with windshield service stations on both sides to accommodate two pumps without taking up extra space. Cleans up easily using standard cleaner.

F. Vue-T-Ful® Isle Single Bucket Window Cleaner with windshield squeegee bucket and towel dispenser makes it easy for your gas station or convenience store customers to clean their car windows and windshield.

F. Vue-T-Ful® Isle Single Bucket Window Cleaner
Model DC-750701

G. Waste 'N Wipe® Convenience Center
Model DC-758701

G. The Waste 'N Wipe® Isle is a three-in-one unit perfect for high traffic areas at gas stations, filling stations and convenience stores. It has two buckets for squeegees and cleaning solution, two towel dispensers and a central waste receptacle with a 12" x 10" trash opening.
