

Stainless Steel PORTA-GRILL®

The Next Generation in Cooking Equipment

Our new Stainless Steel PORTA-GRILL® represents a first in state-of-the-art design and technology. It is the only grill of its kind to be both UL Design Certified to ANSI Z83.11-2002 Standard for Gas Food Service Equipment and Certified by NSF to ANSI/NSF Standard 2, 4, and 7. In addition, its handling weight is only 176 pounds. It folds up in minutes and stacks 4 high for easy storage and transport.
